

CUTTING
EDGE 2017

SCIENCE BEHIND THE LIVING · TECHNOLOGIES FOR THE EARTH AND ENVIRONMENT · MATERIALS OF THE FUTURE

19. 9. 2017 - Cutting Edge 2017 - final announcement

Here's the final warning that the registration deadline is approaching fast! Don't forget to register. The deadline has been extended until the 14th of July. You have until then to apply and submit your abstract. Once again, Cutting Edge conference will bring together young and established researchers to discuss the topics in three main sections listed above. The three announced speakers, who will be joining us, are:

dr. Andrej Grubišič, Slovene scientist at NASA

prof. András Perczel, Eötvös Loránd University from Budapest

prof. Mirco Bundschuh, Swedish University of Agricultural Sciences in Uppsala

WHEN? Tuesday, 19. 9. 2017

WHERE? Faculty of Chemistry and Chemical Technology, University of Ljubljana, Večna pot 113, 1000 Ljubljana, Slovenia

WHO? Master students, PhD students and Post-docs (finished PhD in 2013 or later), who work in the field of any of the three topics the conference covers, are welcome to actively participate, to present their work as an oral presentation or with a poster. All the rest, welcome to join us as passive participants!

WHY? There will be chocolate chip cookies. No further reasons needed!

HOW? Visit our webpage and fill in the application. Applications for oral and poster presentations are accepted until Friday, the 14th of July 2017. The registration fee is 10 € for students and 35 € for other participants. More information is provided on the page www.cutting-edge.si. And don't forget to tell all your friends and colleagues about it. Even those from abroad, since the event will be in English.

DID WE MENTION LAB SELFIE CONTEST? Yes, we did!

We invite you to share them with us! Even if they are not true selfies, but photos taken by other people (yes, you should never be alone in a lab). Post them to our [Facebook event page](#) with a hashtag **#cutting2017** until the 1st of September 2017. The best ones will be printed out and exhibited at the Cutting Edge 2017 conference for the final competition. All attendees of the conference will vote for the best one and the winner will receive a very special prize!

Best of luck with your research and see you in September 2017!

The organizing committee of Cutting Edge 2017
